Professional Certificates

A Penn State Executive Program’s Professional Certificate is a win-win for you and your organization. Your certificate will prepare you to manage new responsibilities, address organizational competency gaps, and contribute to broader enterprise goals. Earn multiple certificates to become a Professional or Executive scholar. These premium scholar statuses demonstrate commitment to professional development.

Professional Scholar

Complete two Professional Certificates to become a Professional Scholar. Scholar status awards you a framed certificate.

Executive Scholar

Complete three Professional Certificates to become an Executive Scholar. Scholar status awards you an engraved award, your name featured on the Executive Education Center plaque, and a one-year membership to the Penn State Alumni Association.

Add an Emphasis

To expand your qualifications, earn a Professional Certificate with an Emphasis of your choice. Select two programs in one of our main portfolios (Leadership & Strategy, Supply Chain, or Analytics) and the third program in another. For example, complete two programs in the Analytics portfolio and one program in the Leadership & Strategy portfolio to earn a ‘Professional Certificate in Analytics with an Emphasis in Strategy and Organizational Performance.’

Custom certificate

Your Professional Certificate should match your professional goals—no matter how diverse and unique they are. Break the mold with a cross-disciplinary custom certificate. Collaborate with us to build a specialized learning path that combines programs across portfolios.
For teams

All programs may be customized for your team. We can adjust program content, length, time, and location to meet your organization’s goals. The level of customization is entirely up to you and can be adjusted according to your learning needs, schedule, and budget.

Qualify for reduced rates

The following eligible participants will receive a 10% discount for live remote programs:
